Hi Mindy-

Here is a proposed agenda for our meeting with John.

- 1) Debrief from Options Selection – What has changed since pre-brief and common understanding
- 2) Schedule for rule and staff assignments – Note this does not have LOE allocated to this
- 3) Uber 404(g) skeleton – with deliverable dates; update on state assumption efforts

Kathy is working on a master or “uber” 404(g) schedule that takes into account the rule and other 404(g) activities. In the meantime, attached a draft tracking table that we developed for and discussed with the workgroup, except for the dates at the end for final proposal review and signature (only through proposal, not final). The end dates are based on what we discussed last Thursday.

Ruth
